164' Christensen Custom 50M Skylounge Motoryacht

- Year: 2014
- **Current Price: US\$ 36,500,000** (08/15)
- Located in United States
- Hull Material: Fiberglass
- Engine/Fuel Type: Twin diesel
- YW# 58929-2631798

MAGNIFICENCE AFLOAT! Stabilized and helicopter-ready, this stunning global pilothouse yacht is BRAND NEW and "in the showroom" now. Currently receiving systems and finish, you can SEE HER TODAY and decide what you'd like on board. Accommodates an owners' party of twelve, including the on-deck master, full beam 'VIP' cabin, and four additional double ensuites; ten crew berths. Your guests' favorite entertaining areas will be a tie between the main salon with elegant dining, the spectacular skylounge, and the glowing boat deck with bar and hot tub.

Up to 4000 nautical mile range provided by twin MTU power plants running at 14-16.5 knots with 15,300 USG fuel capacity; ACTIVE FIN stabilization is a must have for waters around the world! Reverse air; four gensets; two watermakers; and custom integrated shore power system that converts any voltage and Hz. Your comfort continues even in the most remote anchorages and exotic locations...

Built in the USA to the proudest West Coast maritime tradition, this most beautiful and function GEM is waiting for YOU in the harbor. Have a trade? CALL today to discuss ALL of the possibilities!

Accommodations & Layout

-----PRELIMINARY SPECIFICATIONS ONLY-----

Sleeps up to (12) in the owners' party in six double staterooms plus captain's double stateroom and crew accommodations for up to (8) in four cabins. Signature interior options include high-gloss custom joinery and cabinetry, granite, marble, stainless and brass finishes, ample halogen overhead lighting plus accent lighting and custom fixtures. ENTERTAINMENT systems are set-up for functional control of the entire A/V system via touch pads in every room, including autonomous control of movie and music libraries as well as U.S., Caribbean and European satellite television.

>MAIN DECK LAYOUT flows forward from a sporty covered outdoor AFT DECK, into the luxurious MAIN SALON, and ahead through FORMAL DINING, and to the L-shaped GALLEY on port. Starboard COMPANIONWAY leads forward to the OWNERS' PRIVATE cabin, including starboard office and then into the expansive full-beam ON DECK MASTER. Master features an island king berth on centerline aft and split 'his and her' ensuites and walk-ins at either side.

>BELOWDECKS amidships is the lower landing, with forward access to two identical SPLIT DOUBLE GUEST CABINS, each with side-by-side single berths - outboard with pullman extension - and private ensuites. Aft companionway leads past the port and starboard DOUBLE GUEST CABINS, each with island queen berth and ensuites. Full-beam 'VIP' GUEST SUITE is aft with jacuzzi ensuite.

>There are (4) upper/lower CREW CABINS forward of the spacious CREW QUARTERS on the lower deck plus a large double CAPTAIN'S CABIN aft of the wheelhouse, all with ensuite heads. Crew access to all decks is via a dedicated crew stairway.

>PILOTHOUSE LEVEL begins with the COMMAND HELM forward, followed by the

CAPTAIN'S CABIN next aft to port and DAY HEAD opposite to starboard. SKYLounge area follows, with card table, bar and seating; aft is OUTDOOR DINING and chocks for one of the larger SHORE BOATS.

>BOAT DECK LEVEL topsides sports the ship's HOT TUB forward, followed by the open plan outdoor BAR and DINETTE; handy additional DAY HEAD serves the party at this upper level. Finally aft is additional on-deck storage for the other larger shore boat and WATER TOYS.

Galley & Domestic

MAIN GALLEY is designed and outfitted to serve large groups or intimate gatherings with style and ease! Equipment includes dual 30-inch Professional Cook tops; dual convection ovens; dual warming drawers; Glo-Ray infrared food warmer; microwave oven; Miele coffee system; dual Sub-Zero refrigerator/freezers; dual Sub-Zero wine storage units at the SHIP'S PANTRY; Sub-Zero icemaker; dual dishwashers; dual trash compactors; extraction vent hood with "Hi-Fog" fire suppression. ALSO NOTE: WALK-IN COOLER with dual condensing units and (4) upright freezers at the crew galley.

>CREW GALLEY offers a 30-inch electric cook top; over-the-range mount microwave oven; (1) upright refrigerator with freezer; Sub-Zero icemaker; and full-size dishwasher. SHIP'S LAUNDRY features (3) commercial-grade clothes washers and (3) commercial-grade dryers.

Electronics - Navigation

- Navigation system by Johnson Electronics & Machinery Inc.
- Furuno X band radar with ARPA
- Furuno S band radar with ARPA
- Anschutz Pilotstar D autopilot
- B&G plus Furuno FCV1200BB color video depth sounders
- (2) Garmin 5212 GPS units with plotters
- Transas NS3000 ECSi electronic chart plotter with World Chart folio
- Furuno NX700A Navtex with printer
- Flir Voyager thermal imaging camera with stabilizer
- B&G HY3-SYST-IH3000 Cruiser wind/speed log with (4) additional FFD's
- Furuno Felcom 15 Standard-C weather fax
- Delta magnetic compass
- Anschutz Standard 22 gyrocompass

Electronics - Communication

- KVH Inmarsat broadband TracPhone SATcom
- TracPhone V7 mini VSAT
- Furuno FS 1570 SSB
- Furuno FM8800 VHF
- (2) ICOM M602 VHF
- Panasonic telephone systemw with intercom and paging

- Erickson W25 quad band cellular system
- (3) 802 11-BGN wireless network access points with built-in power over ethernet - system provides Wi-Fi access for the entire yacht

Electrical

Output is 208 volts, 3-phase 60 Hz. BATTERIES included (2) 24v DC sealed gel cell battery banks; GENSETS include (4) Kohler units rated 65kW at 1800 RPM. SHOREPOWER is by Hyak Electroworks, with integrated shore conversion system with auto-parallelism and seamless transfer - converts any voltage and Hz.

Deck & Safety

DECK EQUIPMENT includes (2) Maxwell SY-22 electric anchor windlasses; (4) Maxwell VC 4000 warping winches; (2) 350KG "Pool N" type balanced anchors; (2) 600' lengths of 20.5mm anchor chain. One each Nautical Structures 5000-lb and 3500-lb DAVIT systems. SWIM PLATFORM is integral to the ship's transom; PASSARELLE is hydraulic telescoping with 20' (6 meter) extension.

>SAFETY EQUIPMENT includes CCTV system with (7) Sony pan-tilt-zoom capable cameras; Christensen integrated control alarm system with detectors in all cabins; Marioff Hi-fog water mist fire protection system plus (9) carbon dioxide and (6) dry chemical fire extinguishers throughout. LIFERAFTS include (4) Zodiac 16-person USCG and SOLAS approved; (4) SOLAS approved liferings; ACR 2742 CAT-1 EPIRB with GPS.

>TENDERS include one each owners' Nautica 22' and crew Nautica 15' Wide Body. Total of (4) Wave Runners stowed at the topsides boat deck. ALSO NOTE: Brownies dive compressor in the lazarette.

Mechanical Equipment

Twin MTU 12V 4000 (4 cycle) are continuous duty rated at 1770 BHP @ 1800 RPM per, offering efficient performance at 14-16.5 knots for an approximate RANGE of over 4,000 nautical miles; pre-lube and coolant pre-heat systems; Alfa Laval MAB-103 fuel separator; (2) Racor model GFS 2513M triple fuel filters plus Gulfgate model GFS 2513M coalescing filter, and Algae-X fuel conditioner. Reduction gearboxes are ZF Model 4650-A with 3.04:1 ratio 8-degree down angle with torsional couplings, trailing pumps and tolling valves.

>BOW THRUSTER is American 100-hp electric; STEERING system is (2) Jastram with emergency manual helm pump. STABILIZERS are "Zero Speed-At Anchor" Quantum Model QC 1800 with ARC-3001 electronic control unit and (2) 4.5 square meter stainless steel FINS. Hydraulic system is by Steelhead Marine. PROPS are VEEM 5-bladed NiBrAl, CNC machining.

>TANKAGE includes 300 USG lube oil storage plus 300 USG waste oil capacity. Dual WATERMAKERS are rated at 2,400 USG per day each; freshwater system includes (2) Grundfos pumps with silver ion and UV sterilization. Blackwater is processed with FAST IMO

2010 resolution FAST treatment system.

>SYSTEMS MONITORING by Hyak Electroworks provides SIMnet, integration and monitoring network, connecting the vessel's programmable systems to allow remote monitoring, data logging, power management and diagnostics.
